Lon,

Please update me regarding the following Class 1 Permit mod. Request.
KDHE can't approve the modification request without receiving the documents stated below.

Mr. Lon R. Stewart
Sr. Compliance Manager
Clean Harbors Kansas, LLC

Lon,

KDHE received a Class 1 Permit modification request (dated March 4, 2015) from you on March 09, 2015.
You submitted a revised (Revision No. 17- February 2015) Section H (32- page - Contingency/Emergency Plan) of Part B Application along with Table of Contents and few Appendices.
You also requested to replace the existing document with the complete copy of revision No. 17.

In order to approve the Permit modification and replace the existing document with revision No. 17 (section H of Part B Application), facility is required to submit highlight/strike-out copy of Section H (32- page - Contingency/Emergency Plan) of Part B Application along with Table of Contents and few Appendices .

KDHE appreciates your cooperation.

Thank you

Akhter Hossain; P.E
